Why Choose Humbug Holiday Lighting?

Superior Durability

Our permanent lighting outperforms ALL other brands out there, staying in place and shining for years.

Individual Connections

Each light is connected to the next light puck by a coaxial connection—preventing system-wide failures.

We Have All The Whites

One of the only brands that can produce warm white, bright white, or pure white. Others can often only do one.

But Let's Be Honest...Here Is The Real Reason Why Everyone Chooses Us:
